Report on Tree Plantation:

30.10.2021

“Plant a tree and get oxygen for free.”

The ECO CLUB of PSG Institute of Technology and Applied Research, Coimbatore conducted a Tree **Plantation Programme** in the college premises on 29.10.2021 as part of “**International day of climate action**” celebrations. The event started around 4.45 pm. The Plantation programme was inaugurated by our beloved Principal Dr. G. Chandramohan. After planting saplings, Principal briefed the students about the importance of planting trees and also vision and mission of the College. About 40 students eagerly participated and planted saplings. The event ended around 6 pm. The event was coordinated by Dr. A. Kumaravel, Faculty in-Charge, Eco club.
