

Report on Safety Measures to be adopted in the event of Fire Accident (8th Nov. 2021)

The Department of Physical Education of PSG iTech organized a session on Safety Measures to be adopted in the event of fire accident for the supporting staff members on 8 Nov 2021. Mr. A. Robinson, Physical Director, PSG iTech, delivered the welcome address and introduced the resource person Mr. V Rangaraju, Safety Officer, PSG Institutions to the participants. The resource person explained in detail about the importance of Safety and Awareness to the supporting staff members. Around 32 staff members benefitted through the session. During the demonstration, Mr. V Rangaraju provided step-by-step guidance on effective use of fire extinguishers during fire accidents, different ways to extinguish fire and use of wet clothes for securing a person from fire injuries. Apart from these, question and answer session was held to clarify various the doubts raised by the participants. Finally, Mr. A. Robinson, proposed the vote of thanks.
