Report on the Inauguration of First Year Students Orientation Programme 2021-22

PSG Institute of Technology and Applied Research (PSG iTech) inaugurated the First Year Induction Program on 20.10.21 (Wednesday). Shri. K Pandiarajan, Chairman, Ma Foi & CIEL Groups, Chennai participated as the Chief Guest and enlightened the students with his insightful thoughts on various aspects of academic and professional life. Dr. G. Chandramohan, Principal, welcomed the gathering and spoke about the various achievements made by the students and faculty in the previous years. It was stated that the college has been ranked 131st in the NIRF-2021 and consistently secured top ranks in the academic performance released by Anna University, Chennai. Also, it was mentioned that PSG iTech is considered as one of the most-sought engineering colleges in Tamilnadu by the students with high-cut offs and almost all the seats are filled in the first two rounds of the Anna University Engineering Admissions (TNEA). During the event, the chief guest Shri. K Pandiarajan honoured the best outgoing students and the over-all best outgoing student of the college.

In his presidential address, Shri L Gopalakrishnan, Managing Trustee, spoke about the establishment of PSG Saravajana School exactly before 100 years and the significant vision set by the four brothers “education for all”. He added that PSG Institutions has a diverse student population in the campus and explained about the various state-of-the-art infrastructural facilities available for students. He requested the students to utilize all the facilities in the campus and become a successful person.

Shri K Pandiarajan, Chief Guest, reminisced his collegiate days at PSG College of Technology and spoke about the way the latest technologies and ideas shaped the entrepreneurship model in India and in various other countries. He explained how the some of the significant revolutions like Agricultural Revolution, Industrial Revolution, IT revolution shaped the world and spoke about the next model of revolution as G-Governance, I-Innovation, V- Value, and E-Entrepreneurship (GIVE) along with various examples and stories from real life incidents. Further, he differentiated science, engineering and technology with examples to make students to understand the interconnections between them. He emphasized that questioning spirit is important for every student and students must be inquisitive. He encouraged the students to develop self-respect and be self-motivated in their lives. He asked the students to set a goal in life and work towards achieving their dreams for a happy and

harmonious living. At last, he urged the students to develop good rapport with everyone and set the right attitude towards life.

In his felicitation address, Dr P.V. Mohanram, Secretary, recapitulated the significant points shared by the chief guest and encouraged students to do more projects during the course of study. Importantly, he appealed the students to ask more questions in the classrooms to gain fresh perspectives. Finally, Dr P Vetrivelan, HoD, Dept. of ECE proposed the vote of thanks.

Ms.S.Roshnaveena, (B.E. ECE 2017-2021), receiving the Best Outgoing Student award from the Chief Guest Shri. K Pandiarajan, Chairman, Ma Foi & CIEL Groups, Chennai during the Inauguration of First Year Students Orientation Programme on 20.10.21 (Wednesday)
