

PSG Institute of Technology and Applied Research Higher Education Forum

25 April 2023

A seminar on the MBA programme offered jointly by the Illinois Institute, PSG Institute of Advanced Studies, and PSG Institute of Management was organised by the Higher Education Forum of PSG iTech. Students from all departments attended the seminar, which was conducted on April 25, 2023. Dr. Vivek, a distinguished visitor, presented the event and provided a brief overview of the course content, credits, amenities, eligibility requirements, and opportunities offered in the MBA programme. He emphasised the special characteristics of the programme, including the institutional cooperation, the variety of the curriculum, and the facilities offered.

The seminar gave the participants a chance to interact with the guest to gain essential details about the initiative. Overall, the attendees found the lecture to be informative, engaging, and well-received.
