PSG Institute of Technology and Applied Research organized **Teachers Day / Faculty Awards Function** for the period (January - June 2023) on 05.09.2023 (Tuesday). Faculty Awards Function is organized every six months to acknowledge contributions made by the members of the faculty in research and academics. **Dr. P Chinnaraj**, Associate Professor, Dept. of Maths, and **Mr. M Jothibas**, Asst. Professor (Selection Grade), Dept. of ECE, organized the function successfully.

Dr. N Saravanakumar, Principal (i/c) welcomed the gathering and encouraged everyone to publish more no. of papers in reputed journals and urged everyone to enjoy the joy of doing research. Speaking on the occasion, he highlighted the research centre facilities available on the campus and the kind of research work carried out by faculty members.

Later, **Mr. M Jothibas**, made a presentation about the summary of awardees and other significant contributions made by the faculty members. **Chief Guest: Prof. Sundararajan T, Visiting Professor, IIT Palakkad**, delivered the special address and distributed the prizes to the faculty members. During his address, he appreciated all the awardees for their contributions and reminisced about her rich experience in research collaborations with various national and international funding agencies. He mentioned that teachers are the pillars of the institute and how teachers influence students in several aspects. Finally, **Dr. P Chinnaraj**, proposed the vote of thanks.
