Advancing Knowledge
Transforming Lives

“Let there be charity, so that others can share my family’s prosperity”
Shri P S Govindaswamy Naidu
About the Institution

PSG Institute of Technology and Applied Research is the 30th institution established under the aegis of the PSG & Sons' Charities Trust. This institute caters to various engineering disciplines, focusing on learning, industry engagement of students, innovative and inclusive pedagogy and ethics.

PSG iTech aims at effective transfer of knowledge, pursuit of truth and moulding the students to become ideal citizens of the country. Within a short span of time, the Institution has emerged to be one of the most preferred institutions for the engineering aspirants in Tamilnadu.

Key Insights

- Ranked No. 1 in Academic Performance among 460+ non-autonomous Engineering Institutions in Anna University during the academic year 2018-19

INFRASTRUCTURE

- Sprawling campus of 40 acres with carpet area around 10 lakh sq.ft
- Solar powered campus with 260 kW capacity
- GRIHA certified green campus
- State-of-the-art indoor and outdoor sports facilities

TEACHING - LEARNING

- Effective pedagogical training for faculty through Centre for Teaching Learning Practices
- Value added and Skill development programmes for students focusing on the latest industry developments

RESEARCH AND DEVELOPMENT

- Well-equipped laboratories and state-of-the-art testing facilities in collaboration with industries
- Innovation Centres and Centres of Excellence promoting inter-disciplinary product development

INDUSTRY- INSTITUTE COLLABORATION

- Strong Industry - Institute interface
- Collaboration with universities abroad

PLACEMENT

- Majority of students are placed in reputed industries
- Placement training starts from second year onwards

HOLISTIC DEVELOPMENT

- Ample opportunities through associations and club activities
- Yoga training for holistic development
- Opportunity to learn foreign languages such as German, Japanese, etc.
- Wellness Centre for student counselling

Vision

To achieve excellence in education and research, and nurture engineers with ethics, who will face global challenges to serve industry and society.

Mission

- To facilitate active learning and vocational training
- To encourage and promote questioning spirit and ‘can-do’ entrepreneurial attitude.
- To foster industry - institute collaboration.
- To ignite passion for creative work and selfless service towards a sustainable world.
- To provide intellectually stimulating environment, conducive for research.
